Pre-Development meetings are required for property owners seeking to undertake certain land use actions (any Special Use, rezoning of land over 40 acres in size, amendment of the NORMAN 2025 Land Use & Transportation Plan, subdivision of property, Rural Certificate of Survey greater than 40 acres, or construction of a cellular tower) that could have an impact on surrounding properties.

Pre-Development meetings allow applicants and neighboring property owners to meet informally to discuss proposals and air concerns prior to the public hearing process. Often Pre-Development meetings allow applicants and neighbors to resolve issues of concern.

If you have questions about the proposal, please call the contact person, David Kinnard, (405) 410-9703 during business hours. We look forward to your participation and thank you for taking an active role in your community.
